We are looking for skilled Entry & Interior Door Installers to join our company. As a 1099 independent contractor, you will install entry, storm, and interior doors in residential homes. This role allows you the flexibility to manage your own schedule while performing high-quality installations. You must be experienced in door installation, detail-oriented, and committed to providing top-tier service to homeowners.

### Key Responsibilities:

- Install entry doors, storm doors, interior doors, and related hardware in residential homes.
- Measure door openings and adjust frames or door jambs as needed for proper fit.
- Remove existing doors and frames if necessary, ensuring no damage to surrounding areas.
- Cut and shape doors to fit non-standard openings when required.
- Install door hardware including locks, hinges, handles, and weather stripping.
- Ensure proper alignment, function, and secure installation of each door.
- Provide cleanup after installation, leaving job sites clean and presentable.
- Communicate with homeowners to ensure their needs and expectations are met.
- Follow all building codes and safety protocols during installations.
- Use and maintain your own tools, including drills, saws, and levels.
- Troubleshoot and resolve any installation issues to the satisfaction of the customer.

### Qualifications:

- Proven experience in installing both entry and interior doors in residential settings.
  - Strong understanding of door types, installation methods, and carpentry techniques.
  - Ability to read and interpret installation instructions, blueprints, and product specifications.
  - Excellent problem-solving skills and attention to detail in fitting and alignment.
  - Outstanding communication skills and the ability to provide professional service to homeowners.
  - Own transportation and all necessary tools for door installation.
-

- Valid driver's license and liability insurance (required).
- Physically able to lift doors and work in various positions (standing, kneeling, lifting).
- Experience in handling different materials such as wood, fiberglass, and metal doors.
- Knowledge of local building codes and regulations.

**Work Schedule:**

- Flexible schedule with the ability to accept or decline projects based on availability.
- Jobs will be offered based on your service area and availability.

**Compensation:**

- Pay is project-based, with competitive rates determined by the scope of work.
- Payment will be made direct deposit weekly upon completion of each project (specific terms to be discussed).
- Potential for ongoing work based on performance and customer satisfaction.

**Requirements:**

- Must operate as an independent contractor (1099 status).
- Responsible for paying your own taxes, insurance, and managing your own business operations.
- Must adhere to all local building codes and regulations for carpet installation.
- Must possess or be willing to obtain necessary contractor licenses if required by local or state regulations.
- Must have or be willing to get the EPA required Lead Based Paint Renovator Certification for work done in homes built before 1979
- Must have business General Liability and Worker's Comp Insurance
- Must have a reliable vehicle and/or trailer to pickup and deliver product safely to jobsites.

**How to Apply:** Interested candidates should submit their contact information, work history, and references. Please include details of your experience, availability, and any relevant certifications or licenses.
