We are a small family owned electrical contractor licensed in Oregon with 22 years of experience and are ready to expand. We take pride in our work and have a steady flow of increasing contracts and clientelle throughout the Portland metro areas.

Your fully stocked personal work van and gas card are ready to go!

The strength of our team is reflected by the loyalty of each member who are highly valued and appreciated and must have the following:

- * 2 or 4 year Journeyman electrician card (an apprentice work alone card is acceptable)
- * Current driving license
- * Great communication and customer service skills
- * The ability to work alone and in a team atmosphere competantly and efficiently.
- * In depth knowledge of NEC code and safety proceedures
